“ Was fortunate enough to have known you. I have been saying it for many years that my mother was a Saint. I've never met anyone who had something negative to say about her. Words cannot describe how much you will be missed. The only comfort i have is knowing you and dad are together again. I love you both. Give dad a hug for me.

“ My sister Debbie she wasn't only my sis but she was my best friend And I love her so much and I miss her dearly. It's so hard not having her here physically. She has always been the strongest one of us all. When things went bad she was the one to talk with she always listened with an open heart. When we were growing up and we lost our Father Debbie was the one who had to put me in check. She was the one who had to do it all. She would always put everyone else before herself that's how much of a loving and caring person she was and I couldn't ask for a better sis than her. She had a heart of gold. My Sister Debbie left behind her beautiful son's. Mike and Chuck and Joe and her beautiful grandchildren Mikey and Skylar Dawn. My sis is now with her beloved husband Hank up in heaven and they both are watching over us all. Im thankful that I was able to spend such beautiful quality time with my sister in these past few years. Memories I can cherish forevermore. I love you sis and until we meet again I will carry you with me in my heart always and forever. In loving memory of Deborah June Reynolds May she RIP
