“ Grandma was the heart and soul of the family. She was always smiling even on the hard days. She made the best spaghetti sauce of anyone I know. She will be so missed by so many. We will talk about her often. Love you Grandma!

“ Dear Mama

I miss you so much. You will always live in my heart and mind. The day you flew home to see daddy a big part of me left with you. I am so lost without you. You touched so many lives and loved so many. You are also loved by so many who are going to miss you dearly. There are so many memories that you have left behind for all to talk about forever. You are my angel I know in my heart you will be watching over all of us and keeping us safe. It is going to be so hard for me to go on everyday without. You was my serenity my best best friend but most of all my mama. You was always there for me for good and bad times you would comfort me was I was sad or heart broken and always told me everything is going to be okay and that I was such a strong woman just like you you taught me so much in life and I will cherish every moment we had together.

YOU ARE GOING TO BE MISSED SO MUCH!!!  
I LOVE YOU  
YOUR DAUGHTER  
JACKIE

“ Aunt Fran...what can I say other than...there is no love like a mother's love or a love like that from someone who treats you like their own. Thank you for loving me like you did your own 6 kids. I loved spending time at your homes in MA...weekends and most of my Summers for 10 years...You would finally get a day off n you would spend it with us instead of taking time for you. I loved when we would go to Walden Pond n just spend the day swimming eating n more swimming...There is so much more I could say, but more than anything I will miss you every time I go to Colorado. It was hard coming back without Uncle Bill there and now you are gone from this earth...dance to your favorite Elvis songs with my uncle and give Janie a hug for me...Jeannie
