

Jesus "Jesse" Reyes Jr

April 29, 1971 - September 3, 2019

Jesus "Jesse" Reyes, Jr. was born in Denver Colorado on April 29, 1971, to Mary and Jesus Reyes. He departed this life on Tuesday September 3, 2019 at his parent's house in Commerce City, Colorado.

He was a graduate of Adams City High School and received an Associate degree at Metropolitan State University. He was a Colorado State Trooper for 23 years, where he proudly served and protected others.

Jesse is well remembered for his good heart, cheerful smile, his joking manner, and his hearty laughter. He had the ability to have a witty comeback for almost any conversation. You never knew what little pun he had just waiting for the conversation, but you knew there would be one, followed by that smile and hearty laugh you just knew he loved to show off.

Throughout his life, he was a helper to all. He showed love and compassion to those he loved. He provided inspiration, with an endless source of energy to his children, grandchild, mother, father, sisters, brothers-in-law and nephews. We will live on the kindness that he showed, the comfort we shared, and the love he brought into our lives. There are some who bring a light so great that even after they have gone, the light remains. We praise and thank you God for allowing us to share him for 48 years.

He leaves to cherish his memories, his loving parents, his 3 daughters, Cassandra, Rebecca, and Sabrina, his grandson, Leon, his companion, Diane Reyes, his 2 sisters Mary and Josephine, his two brothers-in-law, Robert and Martin, and 2 nephews, Isaiah and Isaac, and a host of aunts, uncles, cousins, and friends.

The memorial service will be held on September 9, 2019, at Our Lady of Grace at 2645 E. 48th Avenue, Denver CO 80216 at 10:00 a.m.

Jesse didn't want everyone to be dressed up and wear dark colors to his services. Jesse's wishes were for everyone to wear bright colors and be in comfortable attire. He wanted

this to be a joyous occasion – a celebration of his life.

“ Jesse was a very caring person. Always remember I asked him to help move my niece from one apartment to the next. He moved her by himself...my niece didn't have a lot of furniture at the time which made it a easy job. He didn't want anything for the move but I paid him anyway. He just said he was glad he could help. That was Jesse....he would give you the shirt off his back. RIPyou will be missed. Rosa Cohen
