

Klyia Anntoinette Gibbs - Aukerman

September 11, 1987 - March 26, 2021

Klyia Anntoinette Gibbs-Aukerman Born 09/11/1987 left this Earth 03/26/2021.

She is survived by her mother Michelle Ojeda and father Michael Gibbs, step parents Joseph Ojeda and Jolynn Gibbs, and her 'Seastar' Heather Anderson, loving and fun Aunty to Destyni and Mikey, her maternal grandmother, Janice, and extended family and friends.

Klyia was a big cat lover. She will be missed by Pretzel and the feral kitties she fed. Klyia was gone too soon and will be greatly missed. She battled with mental health and addiction. We know she is at peace now. She was a beautiful soul with a big heart.

"If I should die, and leave you here a while,
Be not like others sore undone,
who keep long vigils by the silent dust and weep.
For my sake, turn again to life, and smile,
Nerving thy heart, and trembling hand to do
Something to comfort weaker hearts than thine,
Complete these dear unfinished tasks of mine,
And I, perchance, may therein comfort you!" - Mary Hall

“ Klyia was my very first friend we were best friends for years and I have so many fond memories even though I haven't seen her since I was a teenager. She literally was the person I've known longest out of anybody that wasn't my family. I've always loved and cared about her. It seems unreal that she's is no longer here because she was something a part of my life for so long. Every childhood memory I have involves her. I find myself angry like super frustrated there's nothing I can do to change what happened to her. I really just wish I could talk to her one last time at the very least to let her know how after all these years I still care about her and think about her and remember her and she'll always be so special to me.

“ Got mine on my wrist. She got hers on her ribs. She always was a bit braver than me.

“ I'm so lucky that she loved my kids so much. Her and Destyni were more like friends than aunt and niece.
