“ Prayers up for the Hansel Family, sorry for this situation, I hate to say lost because he's not lost. I didn't hang with Maurice but I was in his class and spoke to him in passing or hanging out at the stores. Kind, Funny, and Loved his crew. Love all you guys I went to school with. Whether we were friends or not. Safe Trip Maurice and see you when we get there. STAY STRONG AS A FAMILY

“ I went to high school with Maurice. He was friends with friends of mine. I didn't know him too well but he was always kind and you could tell he was the kind of person with a big heart and that was brought up with a good soul. This is very sad news. They always take the good ones from us. Best wishes and peace and comfort to his family.

“ Maurice my BFF you were the best of the best I can't believe you left me so soon!! I love you and if I would of known I would of come to you and got you. Your the reason I'm alive today, YOU SAVED ME, when I was to sick to care for myself. You are and will always be missed as much as you are loved!!!!!! Rest in peace my friend until we meet again!
