Mom we love you and miss you more than words can describe. You may be gone, but you surely won't be forgotten. You are the strongest woman we know and will forever be considered a pioneer woman for all the obstacles and struggles that you overcame throughout your life. Thank you for showing us how to be strong women like you. Rest In Peace my love. ❤️💎💎💎💎

God saw you getting tired.  
When a cure was not to be.  
So he wrapped his arms around you,  
And whispered, "Come unto me."  
You didn't deserve what you went through,  
And so he gave you rest.  
God's garden must be beautiful,  
He only takes the best.  
So when I saw you sleeping,  
So peaceful and free from pain.  
I could not wish you to come back,  
To suffer all that again.

We love you mom. ❤️
