

Victoria "Vikki" Lynn Garcia

February 23, 1972 - May 8, 2019

Victoria "Vikki" Lynn Garcia passed away on May 8, 2019, in Denver, CO, due to complications from cancer. She was 47.

Vikki was born on February 23, 1972, to Clifford and Katrina Garcia in San Diego, CA. After graduating from Chula Vista High School and attending Southwestern College, she began the next chapter of her life in Yellowstone National Park. There she held several different positions for Xanterra. Her last position as Conference Services Manager brought her joy and fulfillment, which came as no surprise since Vikki was always up for being DJ at a dance party, and making people feel remembered on their special occasions.

She is survived by her mother Trina Garcia who enjoyed being with Vikki in Montana during the past two years. It was an opportunity to see Vikki with her friends and community in Gardiner and Bozeman. She was a great traveling companion, creative soul, and unfortunately a steadfast Patriots fan.

Her three sisters Melanie, Margaret, and Helen are not ashamed to admit she was the brightest of us. Margaret and Helen would have never passed high school math without Vikki's "tutoring service." She was an amazing big sister. Her three nieces Leah, Kayla, and Alice will always remember her as the fun-loving, sarcastic, playful Aunt. In her 25 years in Yellowstone, Vikki was blessed with so many friends that became like a second family. There are many who will miss her ready smile and easygoing attitude.

In her spare time Vikki enjoyed books, movies, and music. She was happiest spending time with family and friends making cards, scrapbooking, kicking butt at pretty much all games, and taking cooking classes.

Cremation has taken place and a celebration of her life is planned for June among the views she appreciated in Yellowstone.

In lieu of flowers the family has picked a nonprofit ambulance organization that was extremely helpful to Vikki. Write check out to: Gardiner Emergency Services Fund. If you

need it to go through the nonprofit side of things write check out to: Park County Community Foundation. In the memo line please note Gateway Hose Company Ambulance fund.

Checks should be mailed to the following address:

P.O. Box 307

“ I worked with Vikki for many years and she was so pleasant to work with. She worked so hard and for too many hours a day but she would not have wanted it any other way.
She will be missed in our Yellowstone home. She was such an asset to the success of the Conference services that were provided to the guests and groups. You should be very proud of her. My sincerest sympathy and my prayers are with her family. She was taken far too soon but her suffering is now over. Many blessings.

“ So sad to hear of Vikki's passing. She was such a strong woman , I thought she would beat this, but glad she is no longer in pain. It was a honor to know Vikki. She was such a hard worker, but never looked stressed and always had a smile. Don't know how she did it! Love and prayers to her and her family.
